***Handbook
for
Administrative Personnel***

Mecosta-Osceola Intermediate School District

INTRODUCTION

All Administrators are subject to this *Employee Handbook* as well as all Board of Education Policies, Administrative Regulations, and state and federal law. In the event the provisions of this *Employee Handbook* are inconsistent with Board of Education Policies and Administrative Regulations, the Policies and Administrative Regulations supersede this *Employee Handbook*.

JOB DESCRIPTION /QUALIFICATIONS

The Superintendent/Designee will establish the job description and qualifications for each position.

ADMINISTRATIVE CERTIFICATION

The administrator must have certification and qualifications as prescribed by the Michigan Revised School Code, which includes obtaining six semester hours or 150 District-Provided Professional Development or SCECHs every five years.

EVALUATION

Each administrator will receive, at a minimum, one (1) written job evaluation annually. This evaluation will be written by the Superintendent or the employee's immediate Supervisor and will be placed in the employee's personnel file. The absence of such written documentation will be considered the equivalent of a satisfactory job performance, and the prior year's evaluation rating will be used for recordkeeping purposes.

HOURS OF EMPLOYMENT

Hours of employment and number of work days shall be determined by the Superintendent.

LENGTH OF EMPLOYMENT

The contract year will be from July 1 to June 30. Full-time employees will be contracted for 260 days, **including** vacation and holidays. Other administrative positions contracted to work less than full time will have their schedules set and approved by the Superintendent/immediate Supervisor.

ABSENTEEISM

The employee must go online to app.redroverk12.com to report his/her absences. If the employee leaves the building or his/her regular work site, he/she must notify the Superintendent or his/her Designee.

SICK LEAVE

Full time (260-day employees): thirteen (13) days per year, less than full time shall be prorated. Upon termination, used but unearned sick days will be deducted from the employee's final paycheck at the employee's daily rate. Sick leave shall be allowed for illness of the employee, employee's spouse, children, grandchildren, legal dependents, parents (including step-parents and legal guardians, if the employee was raised by a guardian rather than a parent), and parents-in-law.

FMLA absences will follow Board of Education policy and procedures.

PERSONAL DAYS

Two (2) days per year awarded. Unused personal leave days may accrue to a maximum of six (6) days as personal leave. Thereafter, said days will convert to additional sick days.

VACATION TIME

260 Day Employees	20 Days
Less than 260 Day Employees	0 Days

Annual vacation time to be earned on a monthly basis. Unearned used vacation will be deducted from the employee's final paycheck upon termination. Vacation time is to be taken at a time that is mutually agreeable between the Superintendent and the Administrator. Unused vacation days will be accrued as sick leave. *Some individual contracts may vary.

BEREAVEMENT

When death occurs in an employee's immediate family, i.e., spouse, child, stepchild, legal dependent, sibling (including step-siblings) or parent (including step-parent and legal guardian, if the employee was raised by a guardian rather than a parent), such employee, upon his or her request, shall be granted a paid leave of absence for up to five (5) working days for each occurrence.

Three (3) days per year shall be granted for each occurrence of the death of other immediate family member(s), such as mother-in-law, father-in-law, sibling-in-law, grandparents (including in-laws) and grandchildren.

One (1) paid bereavement leave day shall be granted in the case of the death of the employee's aunt, uncle, niece, nephew, and student in the employee's current caseload or classroom for each occurrence.

A paid bereavement day will be granted for a death of a person not listed above after consultation with the Superintendent. Paid bereavement leave for a non-listed family member will be limited to one (1) total per school year.

The employee must attend the funeral or memorial service in order to receive the paid leave. Multiple day leaves must be taken continuously and at time of death (cannot be taken intermittently). Exceptions will be allowed if burial is delayed until warmer weather or a memorial is held at a later date. (Example: Death occurs in January, and actual graveside burial does not take place until May, or death occurs in January, cremation takes place, and a formal memorial is held at a later date.) The employee will only be granted one day for the examples listed above (or similar circumstances) and the day will be deducted from the three (3) or five (5) days allowed in contract; these are not additional days. In order to receive these days, they must be requested at the time of original leave.

It is the intent of this article to allow the employee time to grieve the loss and time to travel to and attend the funeral or memorial service only.

The employee must attend the funeral or memorial service for the above to apply.

In extenuating circumstances, the Superintendent may approve additional bereavement leave, which will be charged against the employee's accumulated sick leave.

INCLEMENT WEATHER

Throughout the school year the Mecosta-Osceola Intermediate School District educational programs may be canceled because of inclement weather. When this situation occurs, all administrators will be expected to report for work.

If severe weather or bad conditions exist at your starting time, you may elect to delay your starting time until conditions are safe and work later. In the event unusual circumstances occur, the employees will call their Supervisor and update him/her on the situation. Failure to show up for work can result in a loss of pay or vacation days.

1. Less than 260 Day Employees:
 - a. Work the contracted/scheduled days. If conditions are too bad to report, substitute another day with communication/approval from the direct Supervisor. Up to three days.
 - b. Or, use any available leave of absence without prior approval (with the exception of sick leave).
2. 260 Day Employees:
 - a. Use any available leave of absence without prior approval (with the exception of sick leave)
 - b. or, if weather/roads are of grave concern, see remote work policy located in Appendix A.

EMERGENCY CLOSING

In the event the office is closed due to inclement weather, the Superintendent/Designee will contact you. No loss of pay will result from the office being closed.

WAGES

Administrative salary recommendations to the Board will be developed according to the following guidelines:

- The base percentage will be one (1) percent less than the difference between the cost of the prior year and current year's teacher settlement.
- The base percentage increase noted above may be adjusted either up or down by the Board based upon individual evaluations of job performance as well as comparative data from surrounding local and ISD districts.
- Merit pay will be provided based on evaluations as follows: One-time payment of \$300 for highly effective, \$200 effective, \$100 minimally effective. In years when an employee is not evaluated, merit pay will be provided based on the prior year's evaluation.

PROFESSIONAL ORGANIZATIONS

The Board of Education will pay the dues to state and national organizations. Some limitations may apply.

CERTIFICATION, ENDORSEMENT, OR DEGREE REIMBURSEMENT

Employees who take classes or training that results in an additional certification, endorsement, or degree may be eligible for reimbursement of such costs provided the following conditions are met:

- 1) The classes or training are pre-approved by the immediate Supervisor prior to the registration for the class or training..
- 2) The classes or training will benefit the employee in their current or future role with the MOISD as determined by administration.
- 3) Each member seeking reimbursement will sign an individual contract with the ISD. The contract will require the employee to work, at least, one year of employment beyond each year of reimbursement.
- 4) Reimbursement for all employees combined within their respective bargaining unit or employee group shall not exceed \$38,000 in any given school year. If all reimbursement requests exceed this amount then reimbursements will be prorated based on a percentage of total costs applied to the \$38,000 cap.

*The form can be located on the moisd.org website under staff/forms.

MILEAGE

Employees using their own vehicle for school-related business will be reimbursed at the current IRS-authorized mileage rate. Mileage is to be computed from the employee's primary place of work. For work assignments, such as conferences, that are traveled to directly from home, the lesser of the mileage from home or the mileage from the employee's primary place of work is to be used. Please see the examples below.

Situation A:

I live in LeRoy. If I directly go from home to a conference in Traverse City, I can be reimbursed for mileage from my house to TC because it is what I actually drove and it is less than the mileage from MOISD to TC.

Situation B:

I live in LeRoy. If I go directly to a conference in Grand Rapids, I can be reimbursed for the mileage from MOISD to GR because my commuting mileage from LeRoy to MOISD is not reimbursable.
