

Q: Can my child register for an AM and PM session?

A: Yes, if students are registered for AM and PM sessions, students can bring their lunch and will be supervised in the designated area. Parents also can join them for lunch or pick them up and bring them back for the PM session.

Q: Are all the camps located in the MOCC building?

A: Yes, camps will be held in the program classroom.

Q: What MOCC entrance should I drop my student off at?

A: The MOCC main entrance. Their instructor will be waiting inside the building for your student.

Q: Where do I pick up my student?

A: At the same MOCC main entrance that your student was dropped off at.

Q: How can I pay for the camp?

A: You may drop off your payment or checks to the MOCC or call with your credit card information (231-796-5805)

Q: What are the MOCC hours to pay my student's fees?

A: MOCC office hours are 8:30 AM - 4:00 PM.

Funded in part by grants from

General Information

WHAT is Career Cruisin' into Summer?

Career Cruisin' into Summer is a summer program of enrichment classes offered by the Mecosta-Osceola ISD. Classes are designed to provide students entering grade K-11 the opportunity for an in-depth study of a subject or field of interest. Career Cruisin' into Summer allows students to explore the Michigan Career Pathways and STEM in an engaging way. Students will also explore the types of programs offered at the Mecosta-Osceola Career Center (MOCC).

On-Line Registration

Mecosta and Osceola County Students Welcome
Register online: <http://bit.ly/MOCCsummercamps>
Opens April 1st at 8:00 AM
and Closes May 10th at 5:00 PM
Payment in full due - May 31st @ 4:00 PM

Please have your student's name, address, phone, date of birth, and allergy/medical information, available during registration. Additional forms will be emailed and can be returned either by email or they can be dropped off.

Grades listed for camps are the grade your students will be enrolled in for Fall 2024.

Cost

There is a \$40 weekly fee for each session (am or pm) for each student in Mecosta and Osceola Counties. *Registration fee will be refunded upon 100% student attendance.

Seats are limited and will be filled on a first-come, first-served basis once payment has been secured through the online system or payment by cash or check has been received. **Payment in full is due by Friday, May 31st.** You will receive confirmation at the time of online registration.

Make checks payable to MOCC, mail or drop payment off at:

MOCC, Attn: Career Cruisin' into Summer
15830 190th Avenue
Big Rapids, MI 49307

Refund Policy

If your child is unable to attend a class for which they registered, please email a refund request in writing by May 24, 2024, and email to: MOCC, Attn: Gretchen Spedowska at gspedowke@moisd.org

Transportation

Transportation is the responsibility of the parent/guardian. For safety and convenience, students should be picked up promptly at the end of the class.

Lunch

Lunch will not be provided. If students are registered for AM and PM sessions, students can bring their lunch, parents can join them for lunch or pick them up and bring them back for the PM session.

Questions

In compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and the State of Michigan's Elliott-Larsen Civil Rights Act of 1977, Section 102(a) it is the policy of the Mecosta-Osceola Intermediate School District that no person shall, on the basis of race, color, religion, national origin or ancestry, gender, age, disability, height, weight, or marital status be excluded from participation in, be denied the benefits of, or be subjected to discrimination during any program or activity or in employment. Inquiries regarding this policy should be directed to: Superintendent, Mecosta-Osceola Intermediate School District, 15760 190th Avenue, Big Rapids, MI 49307, Telephone (231) 796-3543.

June 10-14, 2024

AM Session: 9:00 a.m. - 11:00 a.m.

Adventures in Agriculture

Grades: 3-5

Instructor: Katie Courtade

In this session, participants will get a glimpse of all the different areas of agriculture. Hands-on learning opportunities will include dissections, floral arranging, vet science techniques, working with animals, forestry, and gardening.

Behind the Lights & Sirens of EMS

Grades: 1-6

Instructor: Melissa Murray

Come and join us for a fun filled week learning about everyday superheroes, and the cool gadgets they use, along with the awesome ambulance they drive!

Cosmetology - Adventures in Hair

Grades: 5-7

Instructor: Kelli Bolin

Come join us in the Cosmetology program to create new and challenging hairstyles.

Customize EVERYTHING

Grades: 6-11

Instructor: Andy Klimek

Customize EVERYTHING: Campers will be introduced into the world of Producing Marketing and promotional items. Campers will learn how to operate heat presses as well as learning the Intro to sublimation. Along with touching on the design process campers will have the ability to successfully produce items like hats, rally towels, lanyards, mouse pads, keychains, and much more.

Manufacturing Mania

Grades: 8-11

Instructor: Gary McIntyre

See how it is made? Roll the dice in manufacturing as you learn to create, make chips, and learn about automation. Students will use milling machines to create a 6-sided dice piece while learning electrical, hydraulics, plastic, and even CNC concepts.

Metal Works! Welding**

Grades: 8-11

Instructor: Jayna Wekenman

Participants apply the basics of MIG welding, plasma cutting, shop safety, and working with metals to complete simple welding and fabrication projects. Safety glasses, welding helmets, and gloves will be supplied. Participants must wear long-sleeve flame-resistant and/or cotton shirts, jeans without holes, and leather boots daily.

STEM Action!

Grades: 1-3

Instructor: Justin Fox

Campers will get to participate in a wide variety of STEM activities including Lego Robotics, programming, coding, and building.

June 10-14, 2024

PM Session: 11:30 p.m. - 1:30 p.m.

Adventures in Agriculture

Grades: 6-8

Instructor: Katie Courtade

In this session, participants will get a glimpse of all the different areas of agriculture. Hands on learning opportunities will include dissections, floral arranging, vet science techniques, working with animals, forestry, and gardening.

Behind the Lights & Sirens of EMS

Grades: 7-12

Instructor: Melissa Murray

Campers will experience the sights and sounds of a day in the life of an ordinary hero, from life-saving gadgets to skills and techniques, and even a little history about EMS!

Cosmetology - Adventures in Hair

Grades: 8-10

Instructor: Kelli Bolin

Come join us in the Cosmetology program to create new and challenging hairstyles.

Grades 5-7

Instructor: Jayna Wekenman

Participants apply the basics of MIG welding, plasma cutting, shop safety, and working with metals to complete simple welding and fabrication projects. Safety glasses, welding helmets, and gloves will be supplied. Participants must wear long-sleeved flame-resistant and/or cotton shirts, jeans without holes, and leather boots daily.

Share what you wear

Grades: 6-11

Instructor: Andy Klimek

Intro into the world of apparel decorating. Campers will learn the basics of design using industry-standard software (Adobe Illustrator) and design a logo as well as a full-color shirt design. Campers will also learn the basics of the art of screen printing and produce a two-sided silk-screened shirt during this camp.

STEM Action!

Grades: 1-3

Instructor: Justin Fox

Campers will get to participate in a wide variety of STEM activities including Lego Robotics, programming, coding, and building.

June 17-21, 2024

AM Session: 9:00 a.m. - 11:00 a.m.

Baking up fun 2.0

Grades: 4-7

Instructor: Shelli Hallman

Students will learn basic measurement and sanitation, then dive right into the kitchen with hands-on learning! Students will take part in baking a wide variety of sweets. They will also learn proper table setting and a variety of napkin folds.

Introduction to Public Safety & Protective Services

Grades: 5-12

Instructor: Joy Paquette

This week campers will learn about the various public safety fields including fire fighting, law enforcement, military, and how to respond to medical emergencies. Students will have the opportunity to get their CPR certification through the American Heart Association.

This is STEMsational!

Grades: 1-3

Instructor: Justin Fox

Our sessions will provide young students with hands-on learning experiences in science, technology, engineering, and math. We'll build stuff, experiment, write code, and more. Through interactive projects and experiments, your child will develop critical thinking and problem-solving skills that will benefit them for years to come!
