Event Recording Form (Frequency/Behavior Count)

Student: _____ Teacher: _____ Month/Year: _____

Procedures: Make a tally mark for every time the behavior occurs during the school day. If the behavior does not occur, make sure to enter "0" – zero. At the end of the day, count the number of tally marks and enter the sum in the "Total" column.

Description of Problem Behavior (specific, observable, measurable): _____

_____

Date	Tally Every Time Behavior Occurs	Total Number of Times Behavior Occurred for the Day
